Sir,

I write to state that the books and periodicals in the library of this Department are primarily meant for the use of the staff of this Department in connection with the research work carried out here. The Post-graduate students of the University as well as scholars interested in History and Archaeology are also permitted to make use of the library for purposes of reference. It is necessary therefore to augment the collection of books by the purchase of recent publications relating to History, Art, Archaeology, Anthropology and other allied subjects. Moreover, some of the books and periodicals of the library are worn out due to constant use and are badly in need of binding.

In the circumstances, I request that early orders of Government may kindly be obtained sanctioning a sum of Rs.500/- for the purchase of books and binding of the worn out books of the library, the expenditure on this account being

Subd for orders with a draft G.O sanctioning. Financial Concurrence is necessary.
